

Geiriau Hannah i Tadcu / Hannah's words to Tadcu

Dwi ddim yn mynd i ddweud lot, ond hoffwn i ddiolch i ti, Tadcu, am roi lan gyda'r holl waith Maths, Cymraeg, Saesneg a Ffrangeg a wnes i ddod i ti. Chwarae teg, roeddwn i'n gallu gweld o dy wyneb di nad oeddet yn deall unrhyw beth oedd yn mynd ymlaen. Hefyd, diolch yn fawr i ti am adrodd y straeon mwyaf creadigol a hwyl erioed. Fydda'i byth yn anghofio'r arth yn y cwtsch dan stâr, a'r blaidd ar ben y boiler. Diolch o galon i ti, Tadcu, caru ti am byth.

I'm not going to say much, but I'd like to thank you, Tadcu, for putting up with all the Maths, Welsh, English and French work I brought you. Fair play, I could see by your face that you didn't know anything that was going on. Also, thank you so much for telling the most creative and fun tales ever. I will never forget the bear in the cwtsch under the stairs, and the wolf above the boiler. Thank you from the bottom of my heart, Tadcu, love you forever.
